Other informations

Wally One is the first ever Wally Yacht. In 1991, as has been the case with each Wally Yacht, the design was very ahead of its time, and revolutionized the Superyacht world. Luca Bassini Antivari, President and co-founder of Wally, built this first Wally as a luxury cruising yacht with the performance of a maxi-yacht racer, whilst making it easy to sail and safe as a family yacht. This 83ft fast sloop is perfect for charter, with abundant flush-deck space, crew quarters aft, comfortable open cockpit and easy to sail. In 2009, Wally One benefited from a major interior and exterior refit, and in 2011 underwent further cabin improvements. Wally One can welcome up to 8 guests onboard for a fantastic luxury experience of a mythical, charming yacht
